COVID-19 GUIDELINES, UPDATED JANUARY 6, 2022

Due to the prevalence of the Omicron variant of COVID in our community, the following rules and procedures were approved by St. George's Vestry on January 5, 2022.

- MASKS are required when indoors. This is not a change.
- FOOD AND BEVERAGES should not be served, because of the mask mandate.
- SUNDAY WORSHIP, beginning January 9, 2022, will be:
 - 8:00 AM the Holy Eucharist, Rite One, in person. Masks and social distancing are required. Communion (wafers) will be offered to those who wish to receive. This service will not be livestreamed.
 - 10:00 AM service of Antecomunion, Rite Two, will be VIRTUAL ONLY. We will be using the Zoom platform and also livestreaming to our Facebook page. Persons in the Sanctuary will be the Priest, the Organist, and a Videographer.
- MEETINGS in the church building, other than AA, have been cancelled in January, and potentially into February if COVID conditions in the community have not improved.
- THE PARISH OFFICE will be open at our usual times Tuesdays through Fridays, but please Call First: (248) 684-0495. When a visitor arrives, please use the Ring doorbell to the left of the doors, and we will let you into the building. This procedure is intended to prevent overlap of visitors.

Thank you for your understanding, as we try to keep our parishioners and staff as safe from COVID-19 as possible. Please call the Interim Rector, the Rev. Susan Anslow Williams, at the office (# above) if you have any questions.
